Country Estate for sale in Ferreries

Price: 2.100.000,00 €

Built Area: 627 m²

Plot Size: 398.508 m²

Bedrooms: -

Bathrooms: -

This 40-hectare country estate is located in an elevated position with unbeatable views over the north coast of Menorca and the sea. On the plot several buildings form a total of around 627m² built area. The large main house has lots of character and is on two floors. There is a totally renovated barn that is part of the house, in addition to other unreformed buildings. A privileged place of the property is formed by a large terrace with its infinity pool, positioned in the best place of the property to enjoy unique views over the countryside and sea. The property has a well.
